

Due to the current Flu Epidemic, we are making temporary changes for the Liturgy for the protection of our parishioner's health.

- * Sign of peace: You may smile and make a small bow instead of shaking hands.
- * The Lord's Prayer may be said with your hands folded instead of holding hands.
- * The Chalice of Precious Blood will be temporarily be suspended.
- * Those who are receiving communion on the tongue, may want to consider receiving in the hand as an extra precaution.
- * Please Note: It is NEVER a sin to miss mass due to illness.
- * Most Importantly, STAY HEALTHY.
You are important to us !!!

There are two Anti-bacterial Hand Sanitizer Stands on either side of the entrances at Saint Anne.

There are two Anti-bacterial Hand Sanitizer Containers on the back table at Saint Jude.
