

St. Anne and St. Jude

It's TIME

Campaign Prayer

Almighty God and Father, you chose St. Anne, patron saint of mothers, women and minors to show care for your people and St. Jude, patron saint of hope and impossible causes to assure us that through your Son, our Savior, nothing is impossible.

We now pray that Your Holy Spirit descends upon our parish so that we might continue the work of our patrons.

Instill in us the desire to grow in faith with a yearning to live our spiritual life to the fullest, passing it on to the generations yet to come.

May our commitment inspire others to join us in building Your kingdom here in our community, now and forever.

As we embark upon building a place of worship, may we work unselfishly to build a church that is befitting to Your name and gives You glory.

May Your Holy Spirit inspire prayer and generosity so that we realize the work we seek to accomplish is done with Your grace and for Your honor.

We ask this and all things through Christ our Lord. **Amen.**
